Subsidy Programs

Subsidy for community garbage collection box

Costs for installing or replacing a community garbage collection box for communities with 10 or more households may be subsidized for half the cost (or up to 50,000 yen).

Recyclable collection organizations

Kasama City provides subsidies to citizens' organizations (*shimin dantai*) to promote waste reduction and the recycling of limited resources. However, a citizens' organization must conduct activities at least twice a year to receive subsidies.

“Recyclables” (*shigenbutsu*) are listed as following:

1. Glass bottles (beer, sake, etc.), and plastic crates for beer/sake.
2. Aluminum or steel cans
3. Newspapers, magazines, and cardboard.
4. Clothes, fabrics, etc. (note that some recycling facilities do not collect)
5. Cooking oil

※Contact us for more information.
