

## Regarding Ibaraki's Amabie-chan

### What is Ibaraki's Amabie-chan?

"Ibaraki's Amabie-chan" is a system with the aim of preventing the spread of the COVID-19 virus by not only supporting business owners who follow the prefecture's guidelines and work on infection preventive measures, but also by notifying those who may have come in contact with an infected person in case a confirmed case has been discovered.

We ask for your cooperation in registering in order to prevent the spread of the virus.
