

# Our Mission at Kasama City

## — Citizens' Pledge —

Kasama City, as fostered by our predecessors, remains a town rich in history, culture, and blessed with natural beauty. We, the citizens of Kasama City, pledge to treasure this homeland, to promote mutual exchanges amongst all citizens, and in every effort create a city pleasing to all who visit and a place worthy to call home.

To make this city one full of beauty and inspiration, while respecting its nature.

To make this city one full of life and purpose, while working in good health.

To make this city one full of prosperity, while cherishing its history and culture.

To make this city one full of bright smiles, while fostering compassion.

To make this city one full of peace and tranquility, while upholding its rules and regulations.
